■Today's scribbles■

■Greeting ■ German■

A thick wall of 8cm

[redacted] g German men don't, in fact, give good morning Kusachen te each othe[redacted] m on [redacted]ng this strip ^_^ Ludwig can't kiss Feliciano enough

I WAS GIVEN A GERMAN-STYLE GREETING

Speaking of, you great people with kissas even in Germany
Recently I recieved a German-style kiss from a Germen woman
(He s said to kiss the right and left cheek one time each)
It s also common for the elderly to shake hands in Germany
Yeeeaaah I m still a know-nothing about foreign culture

If you compare Germans and Italians
Germans seem to be more formal don t they?
are like I want to huuuuuuug I want to kiiiiiss!
And come up to you clinging (* v *)

By the way Italians kiss the left and right cheek
The French kiss for a long 4~5 times

It's okay! For a time like this, I write body cue cards!"
"Hey could you come to the staff room?"

Ah! Don't tease
woah
woah

Nothing
It's nothing serious.

Oh, this occasion
